THE 1918 BUICKS

Model 24, two-passenger readster, 98 h, p., fully equipped, \$950. The greatest car made for the price, has a 105-inch wheel base. Model 25, five-passenger touring car, 28 h. p., fully equipped, \$1,050. It has a 105-inch wheel base and is a beauty, strong, roomy, and a climber.

Model 30, new type roadster, 32 h. p., fully equipped, \$1,125. This is a complete machine, with mechanical starter and electric head and tail lamps. The wheel base is 108 inches. It is built on strictly new lines. Model 31, five-passenger touring car. 32 h. p., fully equipped, \$1,285. Its full equipment includes electric side and tail lights and a self-starter. This car will lead the sales for 1913. It is a beautiful model.

Model 40, five passengers, 40 h. p., \$1,650. It has a wheel base of 115 inches, is fully equipped and has an electric generator for all its lamps, and a self-starter. It is a perfect machine and the ultimate of automobiles.

The new Buicks are trimmed with black and nickel, and all have selfstarters. The upholstering is another new feature for 1913. I should like to demonstrate to you the all-around superiority of the Buick 1913. I can do it.

Porto Rico's New Wonder.

From far away Porto Rico come reports of a wonderful new discovery that is believed will vistly benefit the people. Ramon T. Marchan, of Barcelonets, writes: "Dr. King's New Discovery is doing splendid work here. It cured me about five times of a terrible cough and cold, also my brother of a severe cold in his chest and more. f a severe cold in his chest and more than 20 others, who used it on my advice. We hope this great medicine will yet be sold in every drug store in Porto Rico." For throat and lung troubles it has no equal. A trial will convince you of its merit. 50c and \$1.00. Trial bottle free. Guaranteed

by all druggists. Feed is cheaper and more plentiful than it has been for years.

Few nights are more terrible than that of a mother looking on her child choking and gasping for breath durmothers have passed nights of terror in this situation. A little forethought will enable you to avoid all this. Chamberlain's Cough Remedy is a certain cure for croup and has never been known to fail. Keep it at hand. For sale by all dealers.

A cork spaked in oil makes a good substitute for a glass/stopper.

Flagged Train with Shirt. Tearing his shirt from his back an Ohio man flagged a train and saved it from a wreck, but H. T. Alston, Ral eigh, N. C., once prevented a wreck with Electric Bitters. 'I was in a terrible plight when began to use them,' he writes. 'I'my stomach, head, back and kindleys were badly affected and my liver was in a bad condition, but four bottles of Electric Bitters made me feelflike a new man.' he site of St. Pierre is better adapted than any other along the cost of Martining for the contrial will convince you of their

Cause of Insomonia.

The most common cause of insomonia is disorders of the stomach and constipation. Chamberlain's Tablets correct these disorders and enable to sleep. For sale by all dealers.

A woman recently married a convict in a New York panitentiary. She at least knows where he is o'nights.

Only a Fire Hero

but the crowd cheered, as, with burned hands, he held a small round box, "Fellows!" he shouted, "this Bucklen's Arnica Salve I hold, has everything beat for burns." Right! also for boils, ulcers, sores, pimples,

Plantations Replacing Those Dostroyed by the Eruption of Mont ---Rebuilding St. Pierre.

passed since all but one of St. Pierre's 25,000 inhabitants were destroyed by a single blast of flery gases from the side of a mountain which until a few days before had seemed to be no more dangerous than is any softly rounded plete, disaster recorded in the history school library. of cities, and before the eruption thus terribly begun came to its end many of carefully cultivated plantations had been reduced to a desolate waste of lifeless mud and ashes. 🔪

that human beings would ever again take the risk of living on the slopes of Mont Pele, but passengers on the dorsement. steamers that pass the scene of this colossal tragedy report that already the cost of Martinique for the connatchless merit for any stomach, veglent transaction of the island's bus-r kidney trouble. Price 50 cents at these, and the material sent out by the volcano, worthless and hopeless as Sometimes the only way to bring a spoiled and pampered child to his senses is to give him; a spanking.

It looked at first, has been turned, as such material always is, into extremely fertile soil by the weathering of a few years. In those conditions it was it looked at first, has been turned, as few years. In those conditions it was back as they have again and again tendent. to the land around Etna and Vesuvius,

after similar calamities. Possibly, and even probably, Mt. Pele will explode again some day, but still more probably it will not do so for a century, or two, or three, and meanwhile there is profit in taking of St. Plerre's rebuilding. The new eczema, cuts, sprains, bruises. Surest on in spite of that, and St. Pierre pile cure. It subdues inflammation, kills pain. Only 25 cents at all drugdiffed.

Resurrection of the Pig.

Boys' and girls' essays are so remarkable sometimes as to suggest the conscious cleverness of the adult. Here are some, pure and unadulterated, sent in for the children's essay has been begun by prominent New competition in connection with the York physicians. Here is a list of the Darwin agricultural show. Probably competition in connection with the don'ts' which the doctors say will you think you know something of the ercise to fill out your knowledge of this animal from one of the essays. "For the pig to die" (we are informed) "is to be born again to a sphere Johnson. On our arrival home to ten necessary one and few public offices No. 1, Lucinda Johnson, New Lisbon we find some pork sausages frizzling in the pan, and we have our supper of our sleep. And we dream of bacon, pork chops and sausages, and the the children of to-day who are to be, No. 5, Sylvia Cronkite, Mt. Vision

Vice-Presidency an Honor, The vice presidency of the United distinction, and yet among men in the year beginning October 1, 1912: public life there is a feeling that the Towns widely known man who consents to secept the office is abandoning opportunities of greater preferment. He is said to be making a sacrifice. He is often pitied and oftener ridiculed for permitting himself to be "laid on the

shelf." He is apoken of as a "dum-He is regarded as one who has lost his place in the world of affairs. All this is nonsensical, the Christian Science Monitor believes, it may be true the office of vice president is often dwarfed by the office of president, if the viewpoint be entirely political; but standing upon its own base, the vice presidency is no empty honor and no sinecure. It is something to be presiding officer of the United States senate. The history of the country, moreover, has demonstrated it to be something of great importance to be next in line to the presidency.

Worse Poverty at Home "Before sitempting to impress strangers with sium life it is well to take a preliminary survey of your route," a New York woman said. "Not long ago I entertained an up-state extreme poverty of the city. I started out in the hope of giving her something to think about for the rest of her natural life and succeeded beyond all expectations. We had penetrated only a short distance into the povertystricken district when we saw signs in three windows in one block adver-

go a step fareber. "If that is the best you can show Targht us well so hope I count of the best
