### BALL GAME.

On Saturday the High School team defeated the Edmeston School team in a very interesting game of ball by the time of the fire and when they returned they found that their flat had been emptied of everything, except the piano, by their neighbors. The damage to their property was covered by insurance.

Morris has played good ball this year. They have been defeated but once by a regular high school team and that by Edmeston on their home grounds. They have defeated Gilbertsville once and New Berlin twice.

Much of the success of the team, not only this year but formerly, has been due to the steady pitching of Henry Hand, who probably appeared in the box for the last time as a high school pitcher on Saturday.

Hand has shown the boys, not only in base ball but basket ball as well, that "lift" and pluck will win even against odds. All are sorry that he is to leave the school, but wish him success in his college career.

Morris has one more game to play with Gilbertville. Lester Jenks, the young twirler and ice cream eater of the school, will probably pitch.

**THE BACCALAUREATE SERMON.**  
The Baptist church was filled to its seating capacity by the attendants at the annual sermon to the graduating class, which was held Sunday evening. Rev. Dr. Hobart preached a remarkable sermon on the text from Jesus' words, "I am come that ye might have life, and that ye might have it abundantly," using as his theme, "The Basis of Righteousness." The music was furnished by a male choir composed of Messrs. Fayette Wing, Floyd Strain, Merton Porter, Morgan Johnston, Merritt Barker, Charles Gage, and Henry Hand, Frank Carpenter. We note the following resolutions with regard to the late Dr. Hine, which were drawn up by the vestry of St. Paul's church Albany:

Resolved, That the sudden decease of the late Dr. James W. Hine has taken from our Board and Parish a man loved and honored for his noble qualities of mind and heart. His generous sympathies in all matters pertaining to the welfare of the Parish, and especially in the administration of the affairs committed to his trust as chairman of the music and pew committees make his loss the more deeply felt. We shall cherish his memory as a Christian man and a good citizen, and we extend our deepest sympathy to his sorely bereaved widow.

Resolved, That these resolutions be spread upon the minutes and a copy sent to his widow, and that they be published in the Albany Evening Journal.

ROBERT E. BROOKS, Rector.

William M. Skinner, Clerk.

Mr. and Mrs. Clarence Hunt of Syracuse last week celebrated their silver wedding at their pleasant home where they have lived ever since their marriage, 103 East Kennedy street in that city. Butternut Valley friends and relatives extend best wishes for a continuation to the golden wedding.

Chas. E. Holland, the blackmailer, whose transactions with Frank T. Arnold uncovered the latter's rascalities at New Berlin, recently appeared before the county judge at Norwich, and pleaded guilty to extortion. He was fined \$1,000, of which \$375.00 went to the county treasury, and \$625.00 to the receiver of the defunct bank at New Berlin.

The revelation of the enormous shortage in accounts of ex-Cashier Arnold at the New Berlin bank was brought about by Holland. The latter, a New York adventurer, came to New Berlin in March, 1910, and gained the confidence of Arnold. Holland claimed to have certain papers which if he made public, would disclose Arnold's shortage at the bank. Holland then demanded \$625 to keep silent about what he knew. Arnold gave it to him and Holland went back to New York. He did not stay there long, however, but came back and wanted \$10,000 for his silence. This time Arnold would not accede to his demands. By this time the residents of New Berlin were aroused and in the investigation which followed, Arnold's shortage to the bank, which amounted to nearly \$200,000 became known.

**BRADDOCK REUNION.**

She went west when very young and this was her first visit to her old home. Mr. Ogle is a publisher in Chicago.
