

MORRISANIAN

Alma Mater

*Morris High, our Alma Mater, for glory and for fame.
We strive by all uniting to raise our voices in proud acclaim.
We honor and uphold thy standards linked firm with bonds of white and blue.
We'll think of you, our Alma Mater; to you we'll all be true.*

*We love the fair name of Morris, which long has stood without strain.
It's here we work for Alma Mater; to guard her honor is our aim.
Your sons and daughters ever praise thee, as from your friendly halls they go,
and oft in mem'ry they recall their school days long ago.*

Morris New York

Dedication

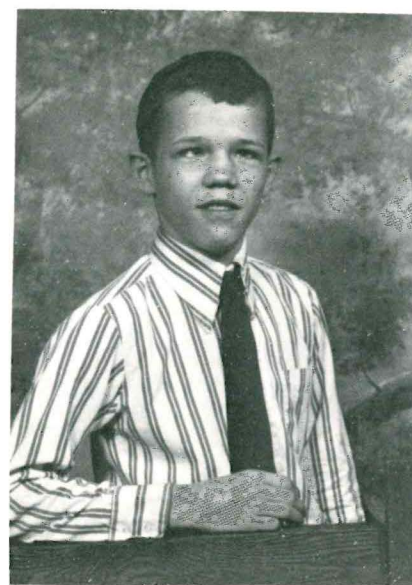

We, the Senior Class, would like to dedicate the 1980 Morrisianian to Mrs. Elenore Tremlett. For years she has served Morris Central School as an outstanding, hardworking teacher.

We would like to take this opportunity to thank her for her dedication to all the students that passed through her 5th grade class.

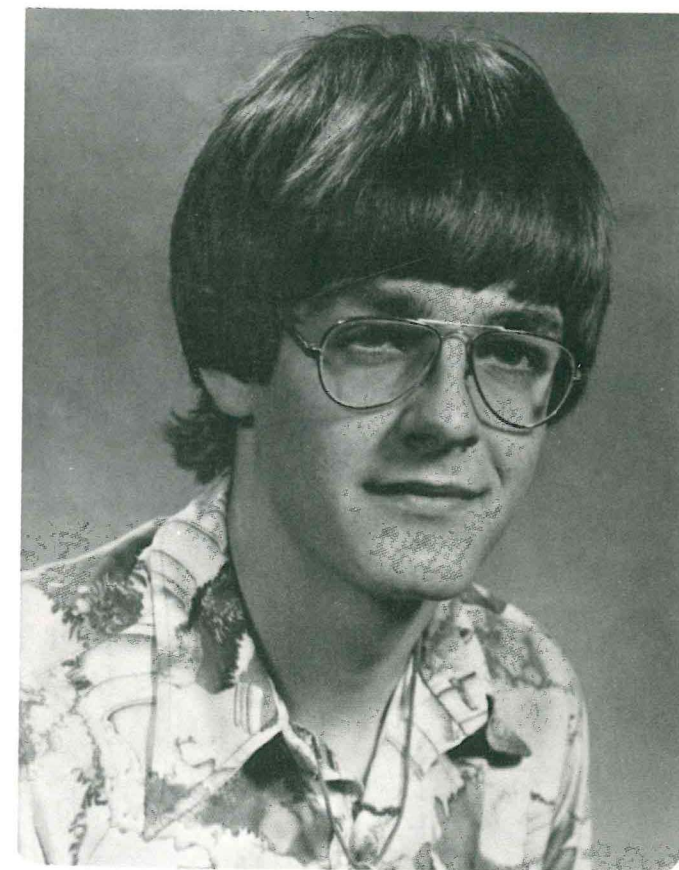

In Memory Of

Robert Henness.

Loveliest of lovely things are they
On earth that soonest pass away.

Christopher Case

Death is but a name, a date,
A milestone by the stormy road,
Where you may lay aside your load,
And bow your face and rest and wait,
Defying fear, defying fate.

You are young and life is long, and there
is time to kill today.

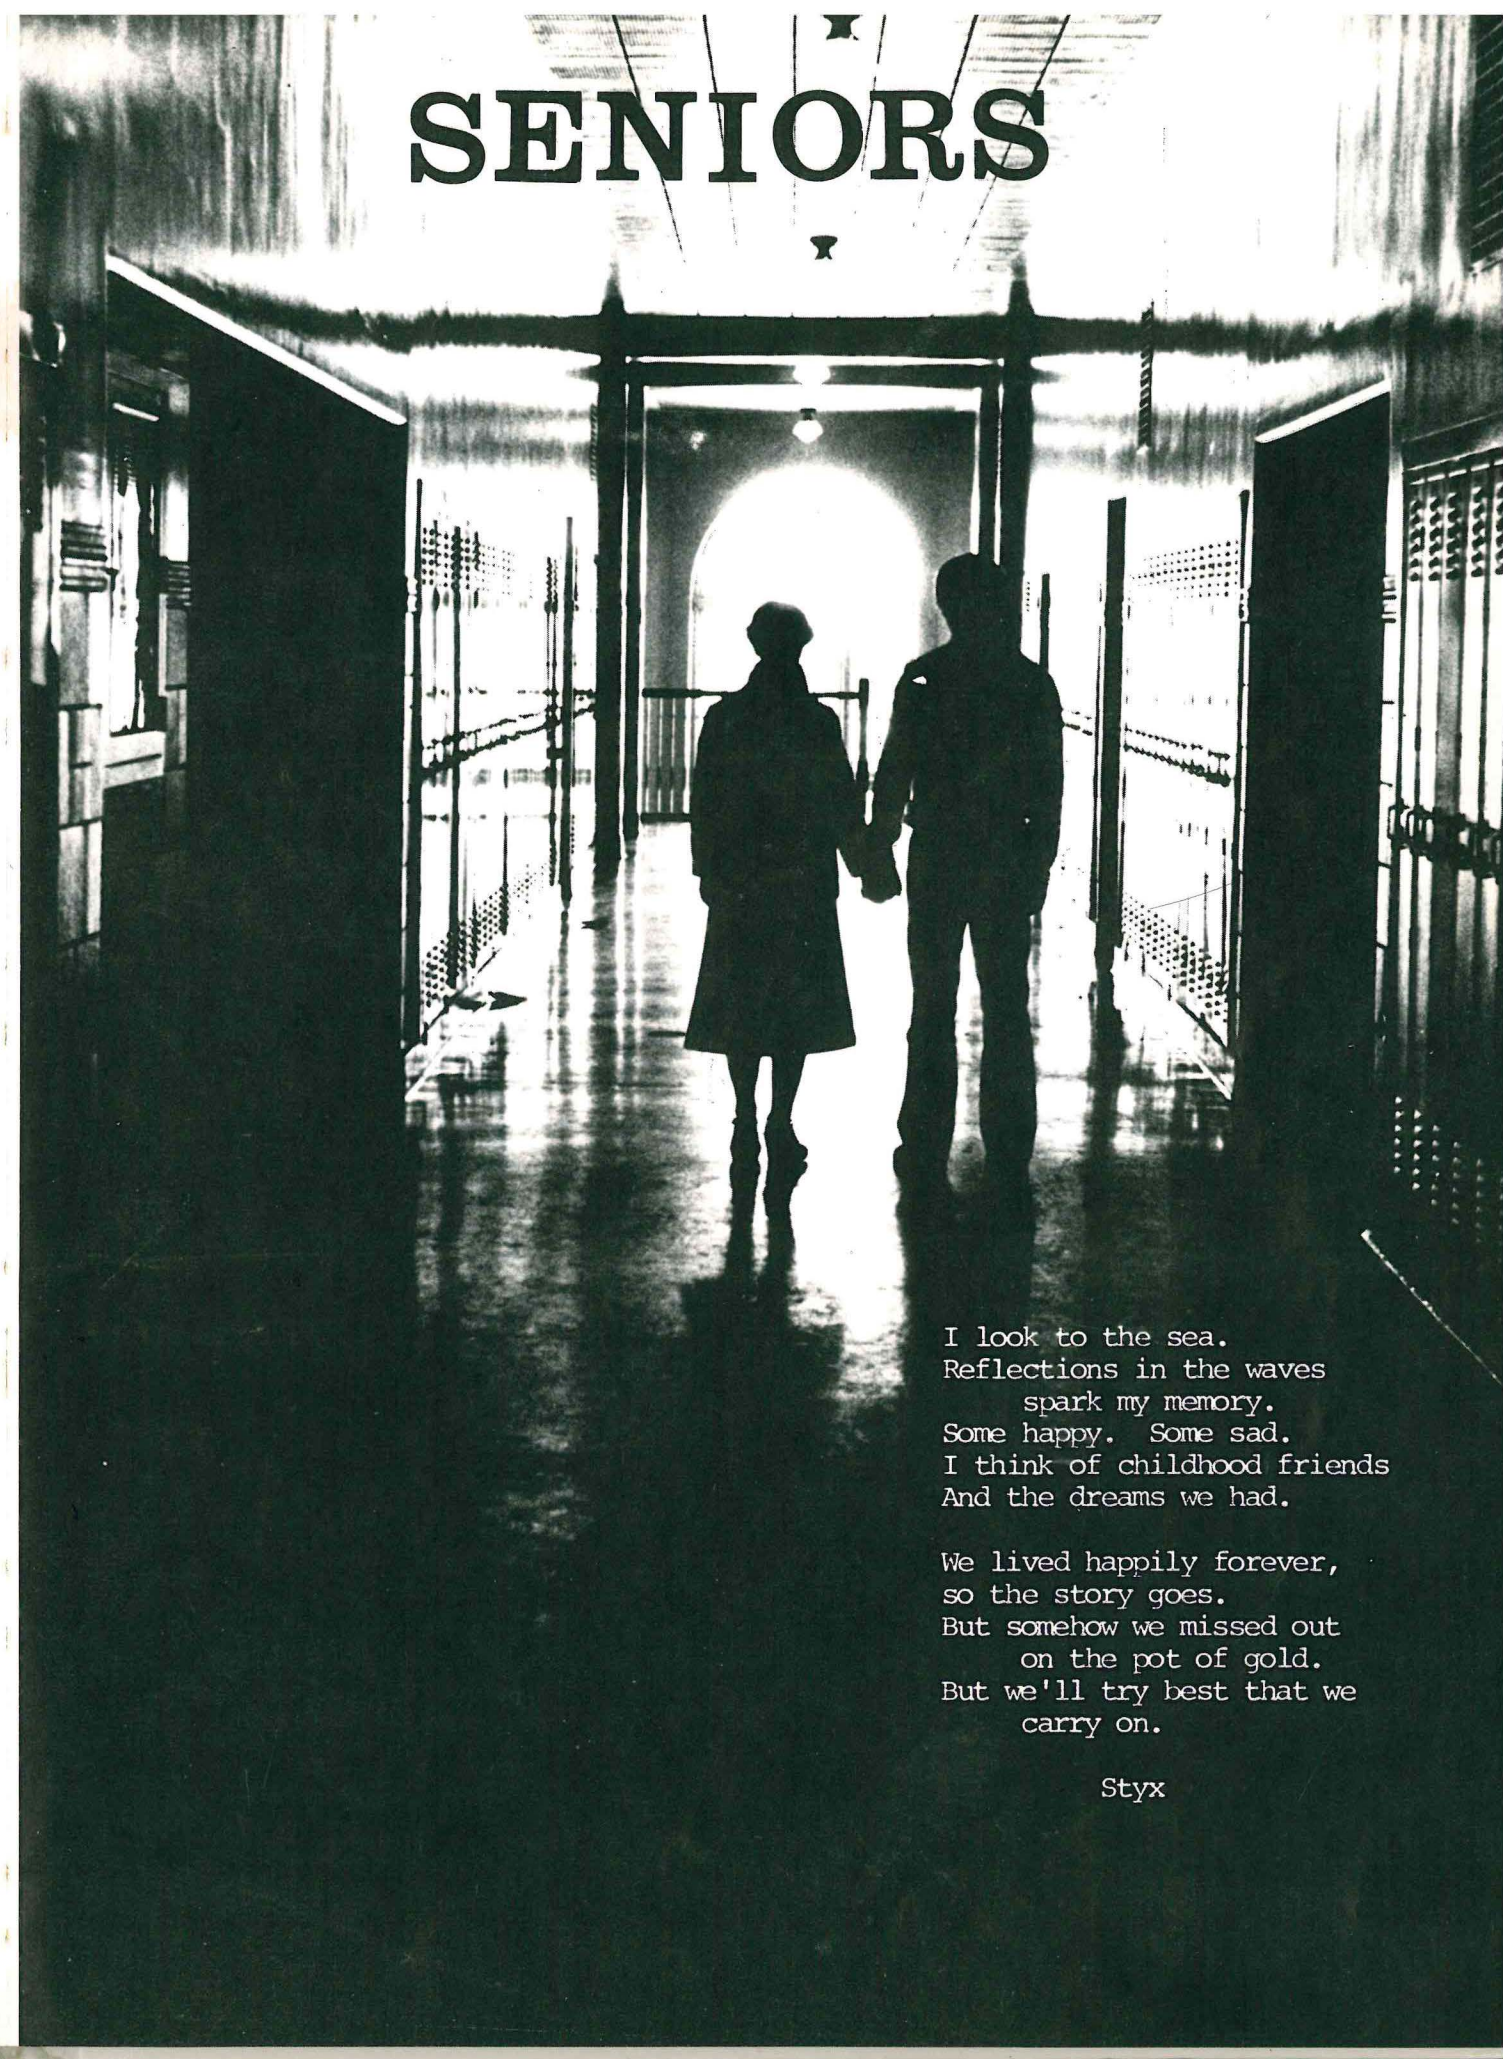

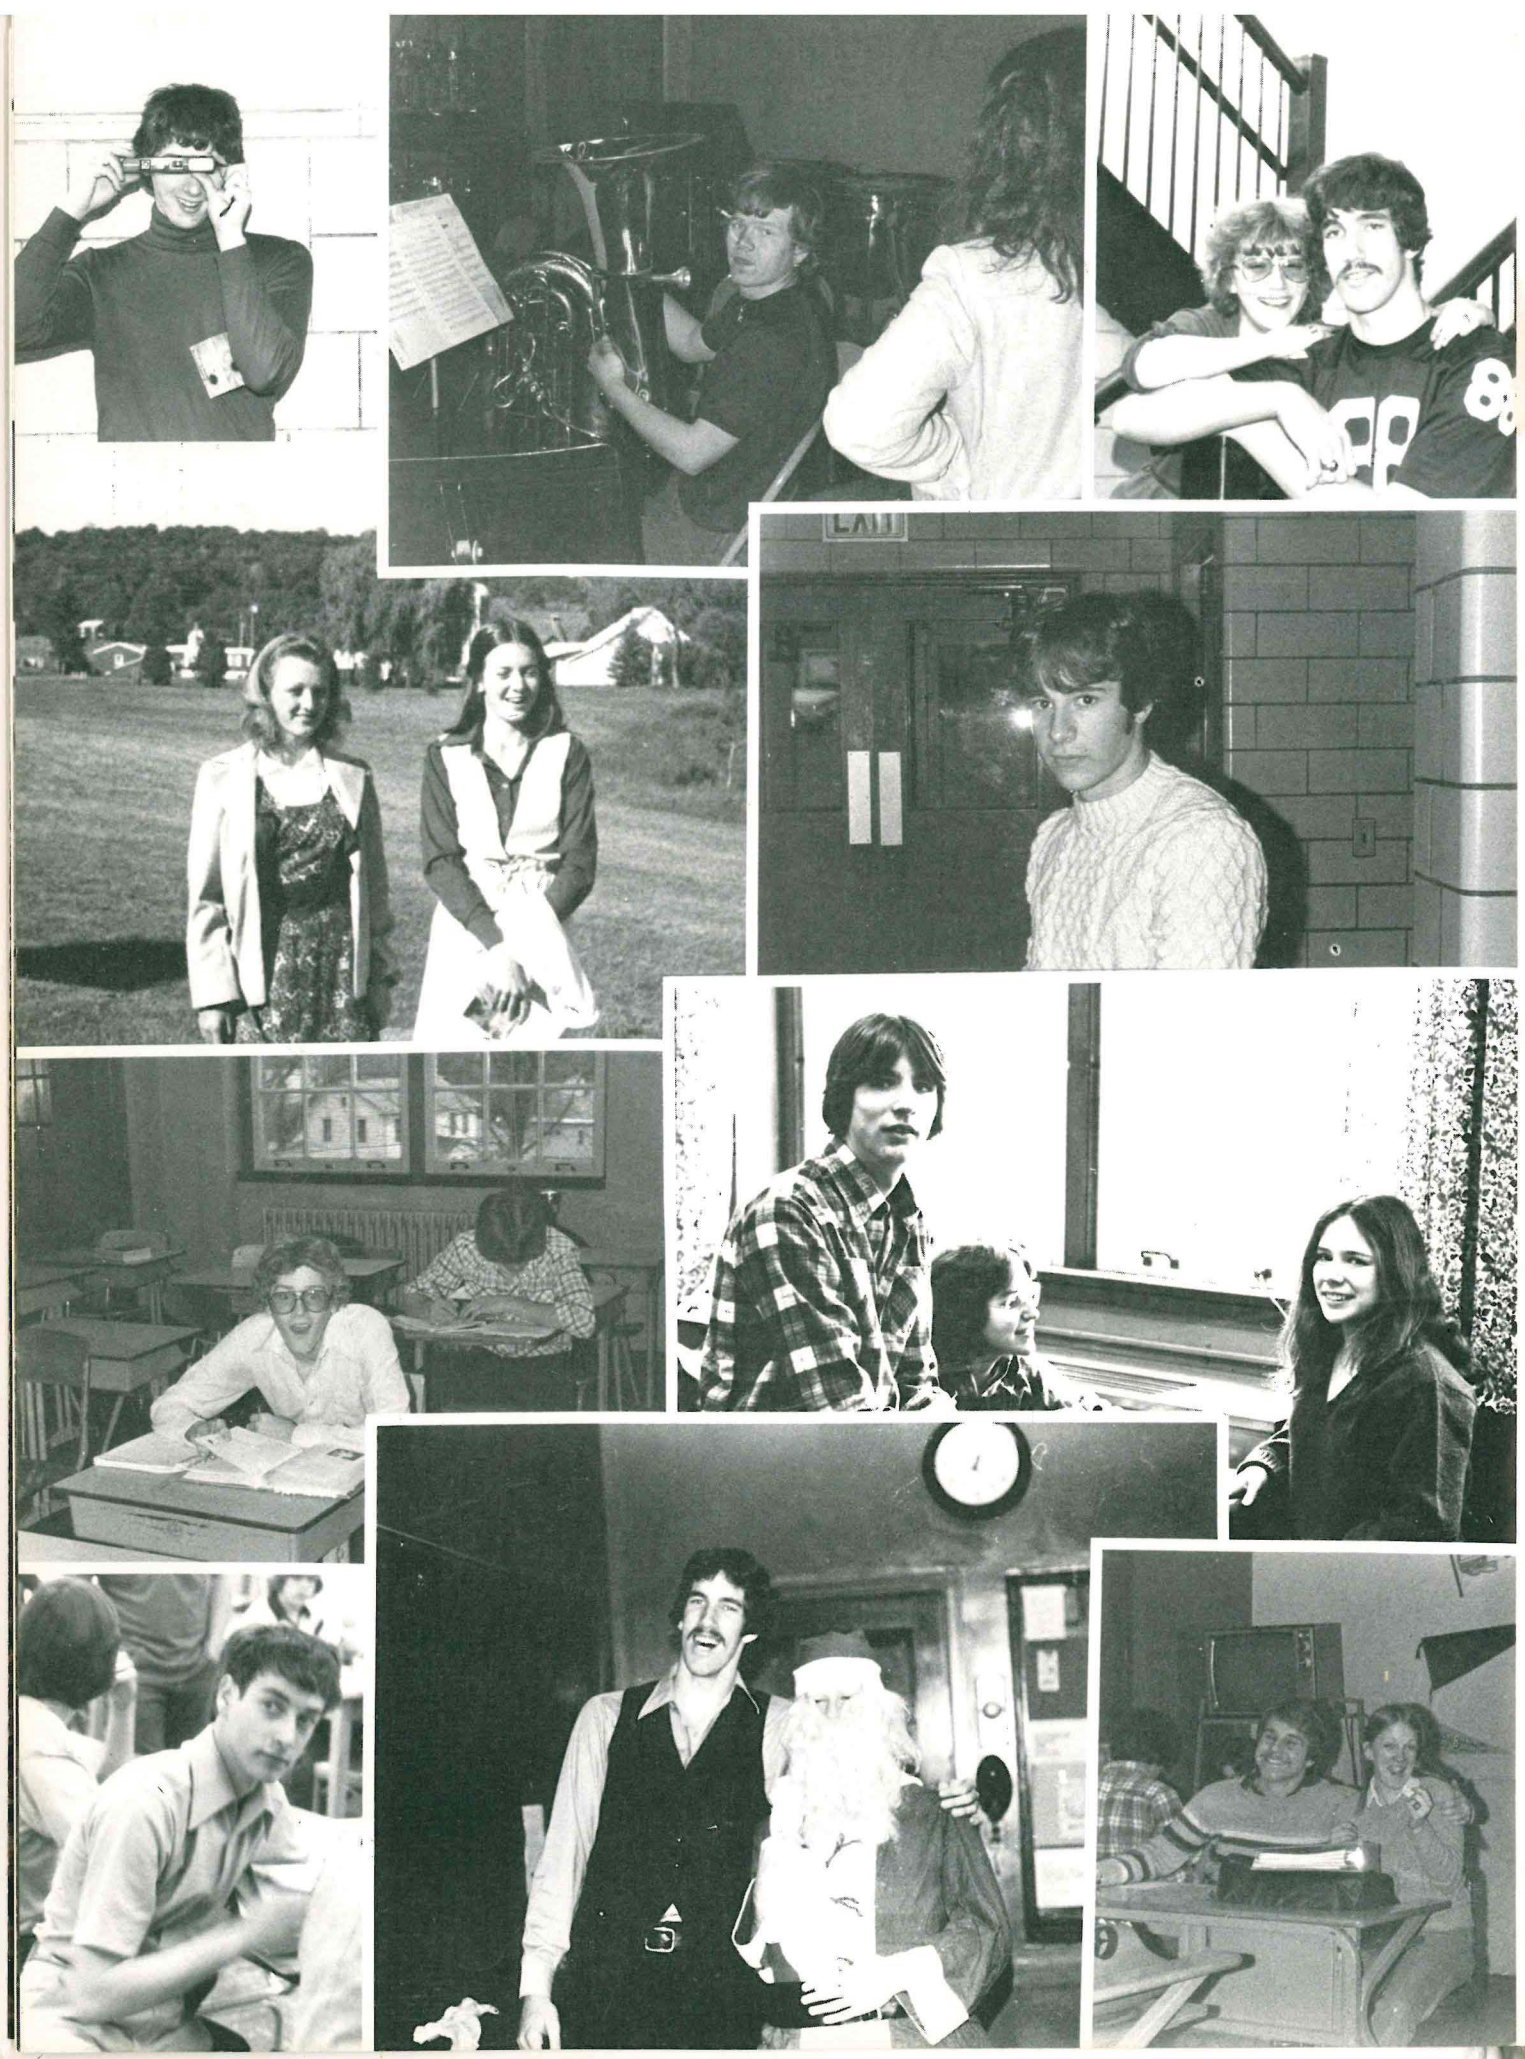

And then one day
you find ten years have got behind you.

Every year is getting shorter, never seem
to find the time. Plans that either come
to naught or half a page of scribbled lines.

SENIORS

I look to the sea.
Reflections in the waves
spark my memory.
Some happy. Some sad.
I think of childhood friends
And the dreams we had.

We lived happily forever,
so the story goes.
But somehow we missed out
on the pot of gold.
But we'll try best that we
carry on.

Au Revior

We began together before we knew
 of all the crazy things we'd do.
 We grew together through all the years,
 we shared our hopes; we shared our tears.
 Together we learned to read and write.
 We tried so hard to get it right.
 We made some friends; we had some fun.
 But, now, alas, are time is done.
 For we must leave each other now,
 and go our separate ways somehow.
 But we will meet again someday
 and reminisce about today.
 Farewell, my friends, it's time to go.
 I'll say good-bye, and I'll miss you so.

PROPHECY

In the year 2000 the class of '80 gathered for their twentieth class reunion at Papa Paul's, a resort owned by Paul and managed by Dave. They spent a weekend there with lots of activities and games which were arranged by Papa Paul's entertainment director, Vicki. The first evening two Papa Paul's regulars performed for them. They were Cheryl Royceski, pianist, and Maria (Go-Go) Marzocco, dancer. An excellent dinner was provided by Jim H., culinary expert in the art of chicken preparation. After dinner Brian, editor of the Leather Stocking Journal, passed out his latest issue for them to read, while Bruce tried to sell them watches. The next morning anybody who had bought a watch from Bruce got up late and missed a rocket demonstration by Pat, who is now a mass producer of rockets that fly (sometimes).

After lunch (more chicken) Betty Lou, now a Driver Ed. teacher; Linda H., Air Force recruiter; and Andy, a renowned linguist, played golf. Unfortunately a small accident occurred when Betty Lou swerved to avoid hitting Tim, Papa Paul's professional caddy, and instead drove into a pond. Luckily, Nurse Doreen was at the scene of the accident and was able to save Andy with artificial resuscitation. Anita's fast driving (she recently broke the world's land speed record) got Andy to the hospital quickly, and he recovered in time for that night's toga party.

Everyone's costume was provided by famous toga designer, Brenda in conjunction with Jennifer, who is now an amazing 5ft. tall since she found the "fountain of height". Penny served her well-known "Penny Beer", and Linda B. and all her "little acorns" gave rides to everyone on their mopeds.

That night Donna F. distributed the newest edition of her subversive Greenwich Village periodical which allowed Curtis to add one more book to his world's record of reading the most books ever written.

The next morning was their last day at Papa Paul's Resort. It started out with a summit meeting in the showers conducted by Adam and Joe, leaders of their own countries. That day a member of Hell's Angels Daryl K. "asked" Jeff to fix his motorcycle that had broken down. Mark had to leave early that morning because it was going to take him a long time to get back to California on his skateboard. Other early departures were Joan and Husband, Mike, who returned to the Navy and Connie and Bob, who left in their tank. The only other incident of the day was when Denise lost one of her five little CR's. Fortunately he was later found under someone's misplaced toga (probably Brenda's, well, maybe it was Jennifer's, or was it....?)

That night Director Sandi entertained us with her latest movie, Animal House II. Refreshments were served by Lisa, who had recently taken over her father's position, and dinner was chicken again. (Three weeks after the reunion, Jim H. was arrested by the FDA undercover agent Nancy for serving Hormone infested chickens).

Some famous people who attended the reunion were as follows: Grand-Prix winner, Alex; Evil Knevil II, Ken; World's Strongest Man, Scott; the best N.Y. Yankee's baseball pitcher, Merle; Dallas' second Hollywood Henderson, Ed; and winner of the Indy 500, Norman (with the help of his pit crew, Terry). Two guests were brought to the reunion, one by Dale, now a professional girl chaser, and another by Kitty, apprentice to Zsa Zsa Gabor. Unfortunately, one night the two guests disappeared together, leaving both Dale and Kitty quite upset.

Several classmates couldn't make it for various reasons. Francis was on duty at the Vatican, and Steve was out West shooting sheriffs with Brooklyn accents. Jim M. was still in Columbia, after flying there to do some business with the Ambassador, Stacia. Ann was in Poland busily directing the National Polish Counseling Service, while Darryl N. was still in NYC trying to find out what that large metal object was that he had discovered, under 42nd St. with his metal detector. Sachiko couldn't make it because she was continuing to have problems trying to westernize Japan. Twenty years ago Claudette left to fly high, and she never returned. Donna K. headed north instead of south, and she's been missing ever since. As far as everyone knows, Mike is still in Texas with his Rassel Castle, searching for a dude ranch of his own.

Jeanne is still swimming across the Atlantic Ocean from Denmark and is planning to be with us in time for our 50th reunion. As for now, we are all looking forward to our next reunion when we'll all be able to share all our memories again and make new ones.

Senior Dramatics

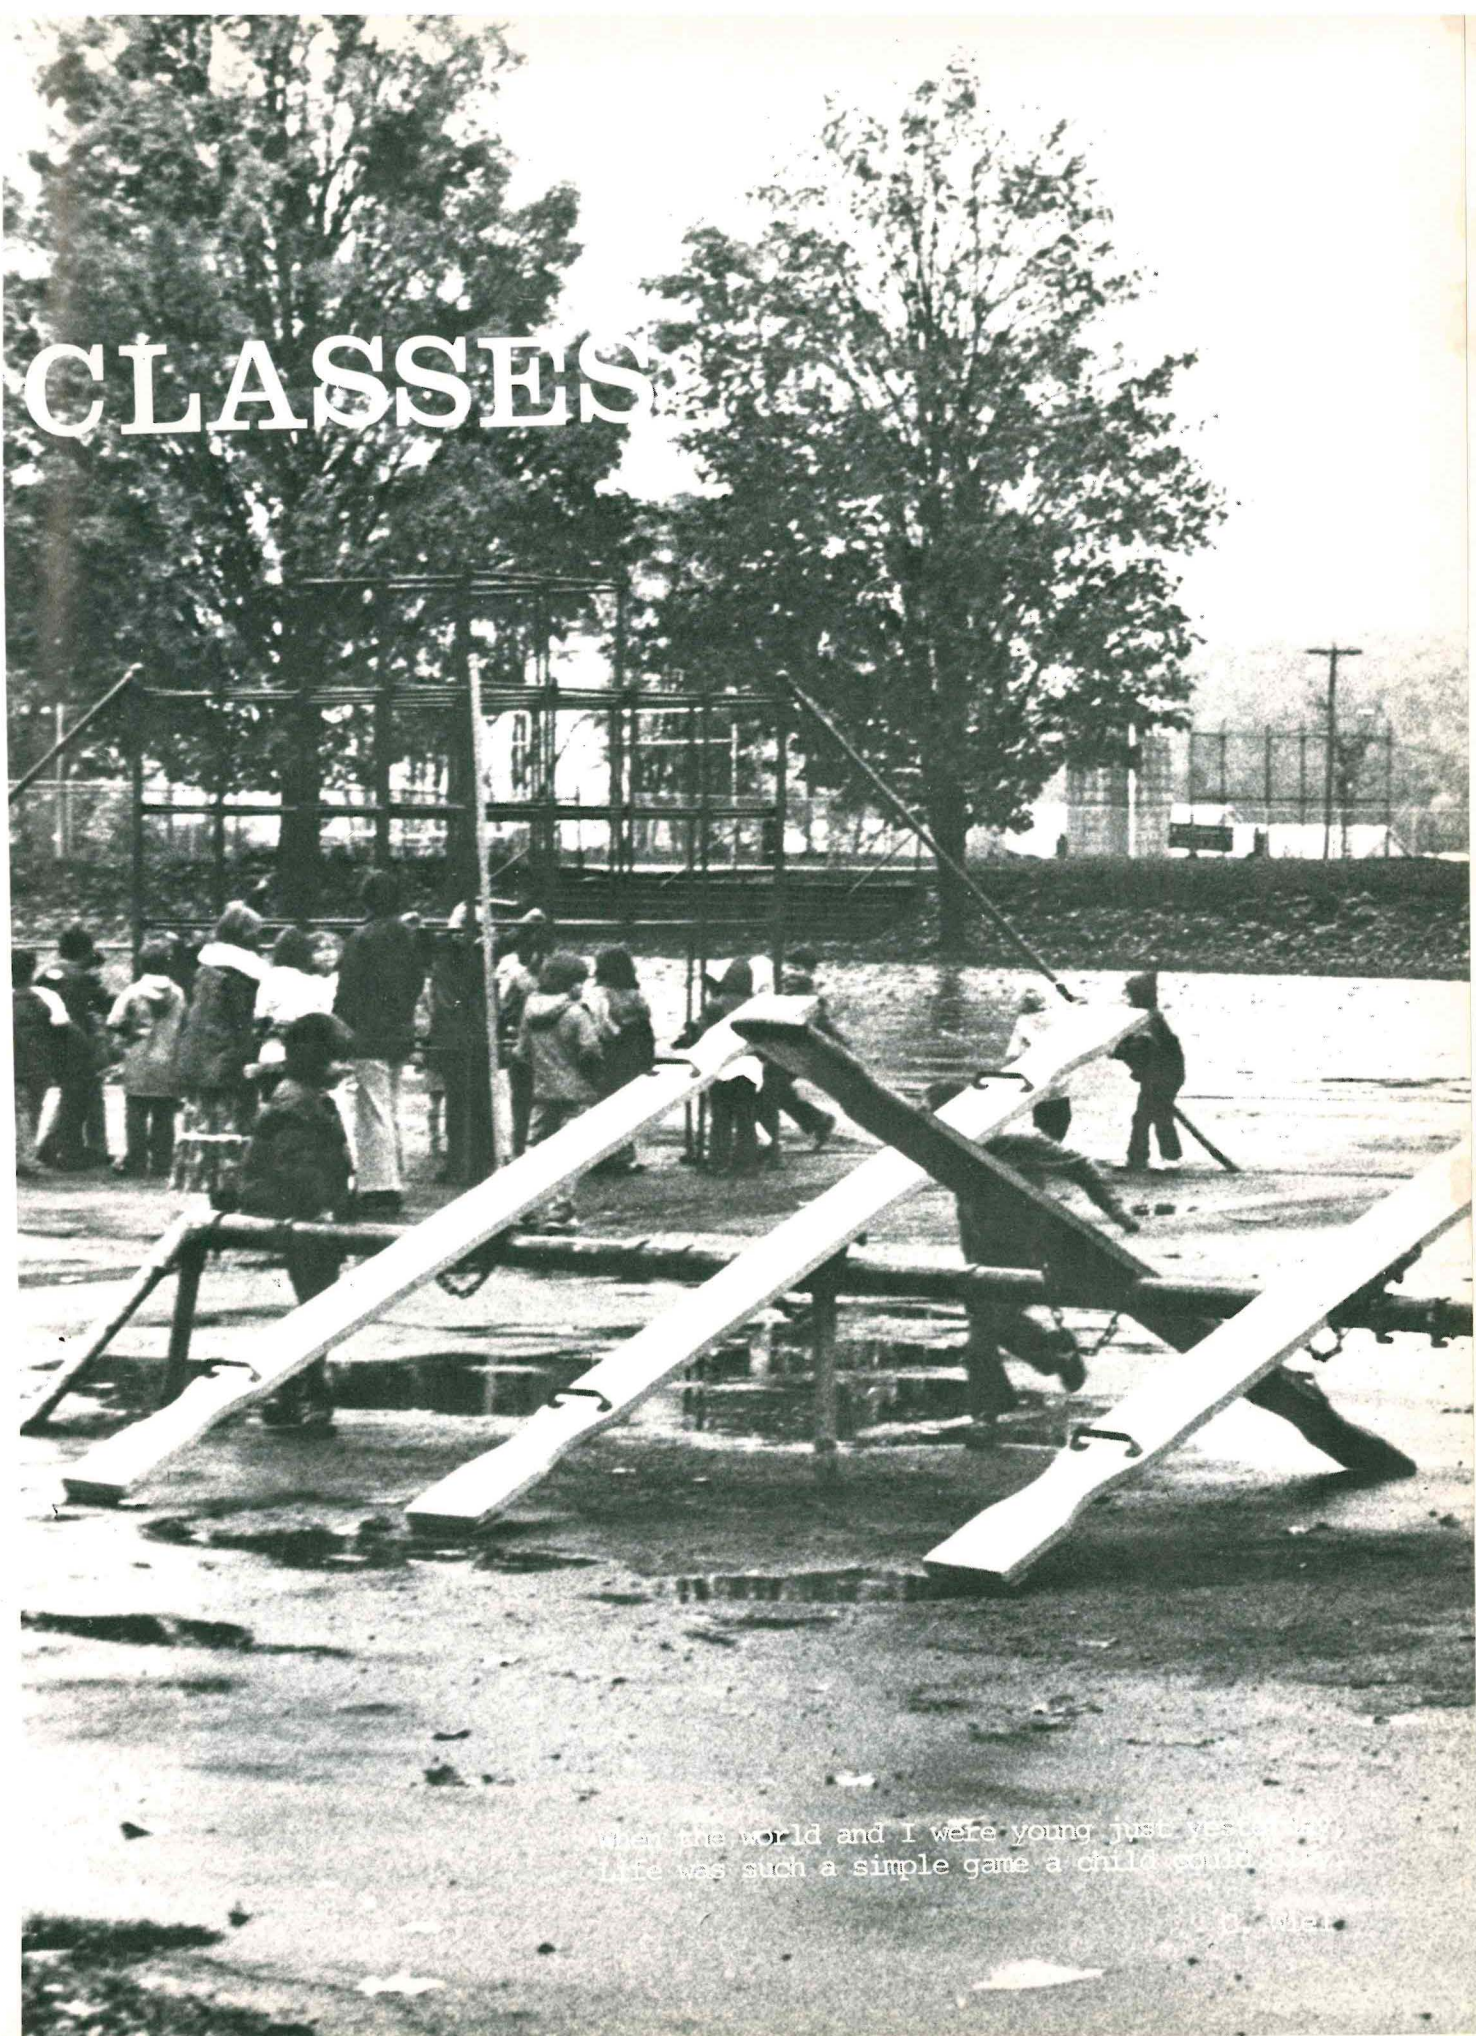

The Senior Play, "Girl Crazy" proved to be a tremendous success with the players as well as the audience. A Harum-scarum plot held together by witty lines and hilarious situations provided plenty of laughs.

It included a cast of twenty plus many extras who helped with staging, lighting, and costumes.

The Yearbook Staff is an organization which each year publishes a yearbook. Even though the work is hard and demanding, they still continue to strive forward to meet the deadlines. This year they have had the opportunity of experiencing a new teacher, Mrs. Oman. Although this is her first year as our Yearbook Adviser, she has contributed much to our yearbook staff of 1980.
